Teacher Training Videos-YouTube Channel

•Nov 21, 2019

Russell Stannard (Teacher Training Videos)

Welcome to teacher training videos.com. This is a website and channel that help teachers and students to incorporate technology into their teaching and learning. If you're a teacher or a student and you want to make better use of technology, then this is an ideal website for you. The videos are short, clear, informative and very practical. You will learn a whole range of different technologies and websites that can support your teaching and learning.

Teacher training videos is a website that has been awarded two important educational awards. The first award was from the Times Higher Newspaper. The award is known as the Outstanding Initiative in Technology. The second award was from the British Council. In 2010, teacher training videos was awarded the British Council ELTons award.
